ADMISSIONS CRITERIA

Students seeking admission to Davis Aerospace Technical High School

MUST:

- Meet the minimum criteria of 2.5 grade point average in core academic subjects. (English/Language Arts, Science, Mathematics, and Social Studies)
- Possess a ***strong interest*** in aerospace/avionics (*Note: All students enrolled at Davis must take course work in aerospace program areas)
- Have good attendance record
- No serious Student Code of Conduct violations (B or V)

All students must submit the following:

- Completed Admission Application (attached)
- Copy of most current report card indicating a 2.5 or better GPA with a minimum of two card markings
- Copy of student transcript(s)
- Recommendations from school counselor and teacher(s) (Attached)
- Immunization compliance record
- Students new to Detroit Public Schools will also need to complete/meet the district registration process requirements

Once applications are submitted:

Students are placed under consideration following completion of the above requirements and review of the application by the Davis Aerospace recruitment Committee.

Students selected for admission will:

- Be notified by mail
- Complete school registration packet/enrollment contract
- Must attend a mandatory four week “Jump Start to High School” orientation during June-July
- Submit \$25.00 non-refundable technical shop uniform fee

*(covers four years of usage)

Special Education: Y ___ N ___ Special Education Students Require an IEP

All students accepted to Davis Aerospace are required to take course work in both core academics and the aerospace education subject areas. A minimum 2.5 overall gpa must be maintained for continued enrollment.

PROGRAM AREAS

General Aviation exposes students to knowledge of general aviation subjects that apply to both airframe and powerplant structures and systems. Included in this program are aviation welding and drafting.

Aviation Airframe/Avionics exposes students to the structural maintenance and repair of aircraft and introduces students to the procedures for testing, servicing, and repairing electronic navigational and communication equipment on the aircraft.

Aviation Powerplant exposes students to the maintenance and repair of aircraft engines.

Students who exhibit exemplary academic aptitude have the opportunity to participate in the Davis **Flight Training Program** and/or **Computer-Aided Drafting Programs**.

Please read and sign in the appropriate spaces

- I understand that **Air Force Junior R.O.T.C.** is a part of our program requirement, and I will be expected to participate to satisfy the Physical Education and Health requirement for graduation.
- I understand that Davis Aerospace **does not** offer any sports, music or arts program.
